

INTERCEPTOR & DECONTAMINATION TANKS LIMITED LIFETIME WARRANTY

These products come with a Limited Lifetime warranty, valid only when this warranty card is completed and returned to T&C.

T&C PLASTICS ("T&C") represents and warrants that our range of high density polyethylene ("HDPE") interceptors and decontamination tanks ("Products") will be free from any defects in material and workmanship, including corrosion, during the lifetime of the plumbing system in which the Products were originally installed and will, at its option, agree to replace, repair, or provide credit to the purchaser.

This warranty does not cover damage caused by the Products' normal usage or wear and tear; nor does it cover damage from naturally occurring events, including, but not limited to UV- or freeze-related damage or natural disasters. The cost of regular maintenance (including the repair of parts) is not covered by this warranty. This warranty does not cover fabricated steel products or any monitoring equipment that may be used with T&C's HDPE interceptors or decontamination tanks. This warranty is only effective if the Products were:

- Installed per T&C's installation instructions and operated per T&C operation and maintenance instructions;
- Installed in accordance with the applicable plumbing and building codes and passed all applicable testing methods immediately after installation;
- Not subjected to abuse or misuse, whether negligent or intentional; and
- Not modified, altered, or repaired by anyone not authorized by T&C.

This warranty is the purchaser's sole and exclusive remedy, and acceptance of this exclusive remedy is a condition of the contract for the purchase of these Products.

Under no circumstances shall T&C be responsible for any incidental, special, consequential, or punitive damages, or for any costs, attorney fees, expenses, losses, or delays claimed to be because of any damage to, failure of, or defect in any of these Products including, but not limited to, any claims for loss of profits, transportation, removal, and installation charges. This warranty is exclusive and in lieu of all other warranties or conditions, written or oral, expressed or implied.
